Work Experience

BonApp

Front-End Developer

Riga, Latvia

Dec 2024 – Present

- Collaborated on building scalable web applications using React, ensuring responsiveness and performance optimization.
- Implemented state management with Redux to maintain predictable and efficient UI workflows.
- Adopted Monorepo architecture to unify codebases and streamline development across multiple projects.
- Used Azure DevOps for task creation, branch management, and fostering seamless collaboration in agile development workflows.

Webzool

Front-End Developer (Remote)

Los Angeles, CA

June 2022 – Jul 2024

- Developed dynamic and responsive web pages using Next.js, React.js, Redux, and MobX to optimize performance and user experience.
- Enhanced Search Engine Optimization scores for mobile and desktop by 60% through efficient use of Next.js server-side rendering and optimization techniques.
- Designed and implemented interactive mini-games, improving user engagement.
- Automated workflows by implementing CI/CD pipelines using GitHub Actions, increasing deployment efficiency.

Jeyhun Imanov Studio

Python Developer

Baku, Azerbaijan

Jul – Nov 2021

- Developed web parsers using Python and libraries like BeautifulSoup, Selenium, and Flask.
- Contributed to both front-end and back-end development, integrating HTML, CSS, JavaScript, and Python.
- Enhanced code maintainability by implementing modular and reusable components.

Azercosmos

ML Engineering Intern

Baku, Azerbaijan

Jul – Aug 2021

- Gained hands-on experience in machine learning engineering and Python frameworks such as TensorFlow.

Technical Skills

Programming Languages: JavaScript, TypeScript, C #, Python

Frontend Development: React.js, Next.js, Vue.js, Nuxt.js

UI & Styling: Ant Design, Tailwind CSS, Material-UI, SASS/SCSS

Backend Development: Node.js, .NET

State Management: Redux, MobX

DevOps & Cloud: Azure DevOps, CI/CD Pipelines, Docker, GitHub Actions

Development Tools: Visual Studio Code, Git, Postman, Bash/Shell (Linux)

Education

Riga Technical University

Bachelor of Science in Computer Science

Sept 2023 – June 2024

ISMA (University of Applied Sciences)

Bachelor of Science in Information Systems

Sept 2024 – Current

Certifications

Code Academy

Certificate Course in Full-Stack Web Development

Sept 2019 – April 2020

Language Skills

Azerbaijani – Native **English** – Fluent **Russian** – Native **Turkish** – Fluent
